

TRUSTEES ARE NAMED TODAY FOR PROPOSED MEMORIAL BUILDING

Appointment Made By Gov. Cox And Commissioners Received This Afternoon

Capt. Julius W. Headington, Mt. Vernon, Henry C. Devin, Mt. Vernon, Dr. Ernest V. Ackerman, Fredericktown, Fred C. Bishop, Centerburg, and Clement A. Blubaugh were today appointed by Governor James M. Cox as trustees for the proposed memorial building for Knox county.

Commissions for the above members of the board of trustees were received at the office of the Knox county commissioners this afternoon.

According to the plan, a campaign will be started immediately and every voter in city and county will be urged to cast his ballot in favor of the bond issue in the sum of \$250,000, as proposed by the county commissioners.

If the bond issues carry at the November election then the above appointed trustees will have full charge of the construction of the memorial building. However, the trustees will first meet and organize and decide how the proposition is to be placed on the ballot.

It will be absolutely a non-partisan board.

REPLEVIN HEARING IS POSTPONED BECAUSE DEFENDANT IS SICK

The hearing in Squire Luther A. Stream's court on the replevin proceedings instituted by the Structural Iron Workers' Union against S. R. Barton, its secretary, to obtain the books and papers of the organization, was postponed indefinitely because of the illness of Mr. Barton. The hearing was to have been held this afternoon at 1 o'clock.

Diarrhoea in Children

For diarrhoea in children one year old or older you will find nothing better than Chamberlain's Colic and Diarrhoea Remedy, followed by a dose of castor oil. It should be kept at hand and given as soon as the first unnatural looseness of the bowels appear.

REV. FRANKLIN WINS NEWARK GOLF TITLE

Rev. L. P. Franklin, of Newark, has won the golf championship of the Country club there, defeating Frank Webb in the 36-hole final. He has been awarded the Golfing Magazine cup. Both of these players are well known to local golfers and have played several times over the Mt. Vernon course.

KILLED BY TRAIN NEAR HANOVER

Former Fredericktown Man Loses His Life Late Wednesday Afternoon

NEWARK, Sept. 25.—V. K. Herendeen, formerly of Fredericktown, Knox county, was instantly killed near Hanover late yesterday afternoon when a Pennsylvania passenger train struck the corn-cutting machine on which he was riding across the tracks.

Herendeen was killed instantly. Both legs were broken, an arm crushed off and the back of his head crushed in.

The deceased was 58 years of age and is survived by his wife and three children, namely: Mrs. Florence Still, Goldie Herendeen and Benton Herendeen.

Herendeen was born and raised in Fredericktown and lived there up until the time of his marriage. Recently the family has been living at Union Station.

BOARD HAS YET TO APPOINT AN OFFICER

Although Chosen Two Weeks Ago, Body Has Not Even Organized

Although appointed over two weeks ago by Mayor Bair, the county health board has yet to organize, let alone

select a county health officer.

One of the leading members of the board, when called by The Banner, said that no effort of any sort had been made to get the board together.

TO UNVEIL CHART AT WEDNESDAY LUNCHEON

The mammoth organization chart of the Chamber of Commerce will be unveiled at the noon luncheon Wednesday, Oct. 1, according to announcement made Thursday.

OHIO FUEL GETS BIG GAS WELL

BRINK HAVEN, Sept. 25.—The Ohio Fuel Supply Co. drilled in a 12,000,000 gas well yesterday afternoon on the Shrimplin farm in Jefferson township. The well is not in new territory, a number of wells, both gas and oil, having already been drilled in that locality.

LUXURIES

ARE PLEASANT BUT NECESSITIES COME FIRST. A SAVINGS ACCOUNT OR RESERVE MONEY IN SOME FORM IS A NECESSITY IN THE MAJORITY OF FAMILIES

Every Dot represents Ten Satisfied Delco-Light Users

More Than 75,000 Satisfied Users

DELCO-LIGHT was designed and built by men who were raised in farm homes—who experienced the discomforts and inconveniences of farm life—and who set out deliberately years ago to develop an electric plant that would provide city advantages for rural communities.

They were the same men whose engineering talent had made DELCO Starting, Lighting and Ignition Equipment for automobiles the standard of the world—

They knew electricity—and they knew the needs and limitations of farm life—

They knew that an electric plant to give service in a farm home must be simple, so that it would not get out of order and require complicated repairs—

It must be easily operated and require little attention—

It must be very economical in operation—

It must be built to stand hard usage and it must last indefinitely—

It required five years to develop a plant that would measure up to these specifications.

There were five years of hard engineering effort back of DELCO-LIGHT before the first plant was put on the market three and a half years ago.

Today DELCO-LIGHT is furnishing the conveniences and comforts of electricity to more than Seventy-five Thousand farm homes.

It is providing an abundance of clean, bright, economical electric light for these homes. It is furnishing power to pump water, operate washing machine, churn, separator, vacuum cleaner, electric iron, milking machine, and other small machinery.

And everywhere it is demonstrating its wonderful efficiency—and actually paying for itself in time and labor saved.

DELCO-LIGHT

A complete electric light and power plant for farms and country homes, self-cranking—air cooled—ball bearings—no belts—only one place to Oil—Thick Plates—Long Lived Battery—RUNS ON KEROSENE
